

REPORT OF THE MAYOR ON THE FINANCIAL POSITION OF THE MUNICIPALITY OF MAYO

Dear citizens,

In accordance with article 176.2.2. of the Municipal Code, here is a report on the highlights of the 2017 financial report and the external auditor's report for 2017.

2017 FINANCIAL REPORT

We ended the 2017 financial period with a surplus of \$118,382. This surplus results from increased transfer amounts and an unused accumulated surplus for planned investment work. Added to this, the fire department's training budget was not used in 2017.
